- You **may** have another cookie if you like.

Ask for permission

- **May** I borrow your pen please?

Express wishes

- **May** the New Year bring you happiness.

Speculate about past actions

- She is late. She **may** have missed her plane.

May or Might?

May and **Might** can normally be interchanged without a significant difference in meaning. However, **Might** often implies a smaller chance of something happening (when expressing possibility).

- It **may** rain. (70% chance)
- It **might** rain. (40% chance)

When expressing wishes or giving permission, only **May** is used.

Uses of **Shall**:

Suggestions

- Shall I get a pizza for dinner tonight?

Offers / Volunteering

- That bag looks heavy. **Shall** I carry it for you?

Instructions (asking for or giving)

- What **shall** I do with your mail when it arrives?

Promises

- You **shall** be the first person to know.

Confirmation (statement of fact)

- I **shall** meet you there at 7.

SHALL

The modal verb **Shall** is not used much nowadays. It may still be found in formal speech and some legal documents.

The most common use of **shall** in everyday English is in questions that offer or suggest.

- Shall I ... ? - Shall we ... ?

Originally **Shall** was used instead of **Will** in first person (with **I** and **We**) when talking about the future.

In all of the examples above, **shall** can be replaced by another **modal verb**.

*Suggestion/Instructions - **Should** Offers - **Can/Could** Promises/Confirmation - **Will***

Uses of **Should**:

Advice or Suggestion

- Your hair is too long. You **should** get a haircut.

Situation likely in the present

- Mary **should** be at home now. Give her a call.

Likely in the future (prediction)

- They **should** win tonight, they're a better team.

Should + have + past participle

Meaning: The subject did not fulfill their obligation in the past or did not act responsibly.

- You **should have given** your boss the report yesterday when he asked for it.

Should + be + verb-ing

Meaning: The subject is not fulfilling their obligation now or is not acting sensibly.

- You **should be wearing** your seatbelt.
- We **should be studying** for the test right now.

SHOULD vs. OUGHT TO

Should can be replaced by **ought to** without a change in meaning.

- You **ought to** study more. =
- You **should** study more.

Note: **ought to** sounds more formal than **should** and is used less frequently.

We use **SHOULDN'T** to advise **not** to do something, usually because it is bad or wrong.

- You **shouldn't** throw your litter onto the street.
- He **shouldn't** play with those wires if he doesn't know what he is doing.
- You **shouldn't** work so much.

Uses of **Must**:

Obligation

- You **must** wear a seatbelt when you drive.

Deduction (certain something is true)

Strong Recommendation

- We **must** get together for dinner soon.

Mustn't = Prohibition

- You **mustn't** use your phone while driving.

We use **Had to** instead of **Must** in the past tense.

- I **had to** pay my speeding ticket yesterday.

MUST vs. HAVE TO

Must expresses obligation imposed by the speaker while **Have to** expresses external obligations.

Teacher: You **must** complete this essay by Friday.

Student: We **have to** complete this essay by Friday.

It is more common to use **Have to** instead of **Must** in questions.

- Does he **have to** do the test?

See our chart about **Mustn't vs. Don't have to.**

Mustn't vs. Don't have to

BE CAREFUL: There is a difference in meaning between *Mustn't* and *Don't have to*.
